

Student Residences

The varied and modern academic programs at our Quito campus attracts students from all over the country and from other countries. Students find nice dormitory accommodations on our campus. The dorms at the **UIDE** are equipped with Wi-Fi, telephone, washer and dryer, TV lounge, cafeteria services, security and transport among others.

The privileged location of the campus (near the city but away from the noise and congestion) and the great views all around are two reasons living on the university campus is the perfect place to be during your academic semester.
